## Legal Document Worksheet

At Pathways we handle a lot of different immigration forms. Each form has a number/letter code we use to identify the form and service we are providing for a client. It is important to know the number codes for each form and what the form is used for. This exercise is intended for you to get familiar with forms and services we provide before beginning your legal internship with us. [www.uscis.gov](http://www.uscis.gov) will be a great resource for this exercise and throughout your internship.

Please provide 1 to 2 sentences for each form. Your answers should include the name of the form and what it is used for.
